SOUTHEAST COLORADO ART GUILD

The Southeast Colorado Art Guild was formed in 1969 when Susie Brown invited interested artists from Brush and Palette Art Club, Dauber's Club, Cheyenne Wells Art Club, Holly Art Club, and other artists of Southeast Colorado to unite for the purpose of promoting a juried art show.

The first official meeting was held at the Elks Club on September 13, 1969. The officers were Susie Brown, president; Nellie Harms, vice-president; Myrna Wilson, secretary; Marie Selders, treasurer; and Mildred Quinn, publicity.

Marie Selders was chairman of the first art show, which was held at the former Elks Home on the corner of 4th and Elm on October 25-26, 1969.

Over the years the Southeast Colorado Art Guild has awarded scholarships to budding artists, donated a pottery wheel, kiln, and printing press to Lamar Community College for use by the community, and donated several art video cassettes to the Lamar Library for public viewing. Workshops and seminars have also been sponsored to promote the visual arts.

We are very grateful to each artist who enters and for each sponsor, all of whom are necessary to make the show a success. We wish to express our gratitude to the Lamar Public Library and library staff for their cooperation in displaying the artwork.

We hope you enjoy the show.

Our 2006 Judge

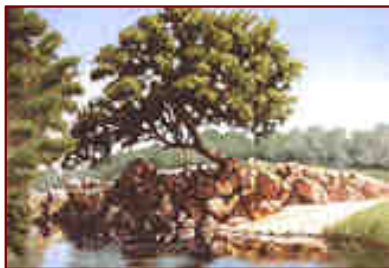

MMAHON

Mike Mahon paints from what he knows best: the colors and people of Texas, Northern New Mexico, and Mexico. His landscapes, portraits, and slice-of-life vignettes depict a taste for the unusual scenes, expressions, and moments that most of us miss. His impressionistic style adds depth and a surprising realism of light and shadow to his paintings.

Recently emerging from a successful career as the owner of a commercial art and photography studio for 24 years, Mike is now pouring his many skills into a full-time fine art career. Notably, he has been honored to know and study under several internationally recognized artists including Ben Konis (pastel & oil), Kim English (oil), Judi Betts (watercolor) John Budicin (oil), and Albert Handell (pastel & oil). His 28 years of experience in commercial art and photography, including several years as a motion picture film animator, have served him well as he demonstrates excellence and versatility in the media of pastel, watercolor, oil, and photography. (Biography and pictures taken from his website: www.mmahon.com).
